The group will use the Dinner Key Public boat ramp, complementary vehicle / trailer parking / shuttle will be provided by Fisherman's Boat Group.

There are many possible accommodations in the Miami area. Whaler will have a special room rate at the Double Tree Hotel, 1717 North Bayshore Drive Miami, Florida, US, 33132-1180, Wednesday, July 6. You can make your reservations by calling the hotel at 305-372-0313.

Thursday, July 7

7:00 AM Depart as a group from Government Cut, Miami

Weather permitting; we will leave as a group from a predetermined location in Government Cut (as announced in the Captain's meeting). Remember: as captain you are responsible for the safety of your vessel and crew. If you are uncomfortable with weather conditions, it is your responsibility to make that call.

It is vital that everyone be in his or her boats at that location ready to leave at the appropriate time. The wind builds during the day and can make the crossing more difficult.

Tentative arrival time in the Bahamas will be 9:30am. At this point we will progress to Bahamian Immigration. An immigration package will be distributed at the Captain's meeting to expedite the process. Only the Captain is allowed to leave the boat for this process. It will cost a minimum of \$150 per boat with additional charges for each passenger in excess of four per vessel.

A valid birth certificate or passport is required for entry into the Bahamas.

Check in at the hotel will be at 12:00 noon.

Let the fun begin! We will have a Scavenger Hunt meeting at 2:00pm in the main courtyard of the marina. The Scavenger Hunt will continue all day Friday and Saturday. Awards for the event will be combined with the Fishing tournament awards Saturday night.

Please join us for “Docktails” and /Fishing Tournament/Captains Meeting at 5:30PM.

Bimini Overview:

One of the smallest islands in The Bahamas and close enough to Miami (just 81km/50 miles away) to be distinctly separate from the other islands of the archipelago, Bimini is actually a pair of islands with a total area of 9 square miles; smaller North Bimini is better developed than South Bimini. Luxurious yachts and fishing boats are always docked at the island's marinas. Throughout Bimini, there's a slightly run-down Florida-resort atmosphere mingled with some small-town charm (think old-time Key West, before the cruise-ship crowds ruined the town).

Once the setting for Ernest Hemingway's *Islands in the Stream* (Papa was a frequent guest; see below), Bimini attracts big-game fishers for big-league fishing tournaments. It has only minor appeal for the casual sightseer, but if you'd like to follow in the footsteps of such famous anglers as Zane Grey and Howard Hughes, this is your island: Sportfishing here is among the best in the world, and the scuba diving among the very best in The Bahamas.
